

The Graduating Class of 2022

Watch Out World!

At Sacred Heart School of Halifax, our graduates are going places! That's because they are among the most academically prepared graduates in the country thanks to our rigorous academic program that includes the acclaimed Advanced Placement (AP) Program. And, through their student leadership, social justice, and community service activities, we know they will make amazing contributions to their post-secondary institutions and communities, just like they did here. Because while the world is theirs to conquer, it's also theirs to make better.

Almost **50%** of our graduating students received a scholarship or bursary resulting in almost **\$600,000** in monetary awards. They will be attending top universities like:
