

## Congratulations to the Graduating Class of

# 2025

### Our graduates are going places!

At Sacred Heart School of Halifax, our graduates are on their way to extremely bright futures. That's because they are among the most academically prepared graduates in the country, thanks to our rigorous academic program that includes the acclaimed Advanced Placement (AP) Program, and a counsellor-led university preparation process that is dedicated, personalized, and thoughtful to ensure our students are applying to and matched with the university that is right for them. **This year, 97% of our students were accepted into their first-choice university!**

## Brighter and Better!

While Senior School is focused on academics, there is more to the Sacred Heart experience. As part of our whole-child philosophy guided by our Five Goals, we have provided them with a rock-solid foundation and moral compass that includes a commitment to leadership, social justice, and community service. That's why we know they will make amazing contributions to their post-secondary institutions, their communities, and the world, just like they did here. Because while the world is theirs to conquer, it's also theirs to make better.

Our graduates were accepted at these leading universities in 2025, many of them with outstanding scholarships, including the McGill Schulich Leadership Scholarship, the Queen's Chancellor's Scholarship, and Presidential Scholarships from Saint Mary's and Mount Allison Universities.

University of Waterloo  
University of Toronto  
McGill University  
Queen's University  
Dalhousie University  
University of Ottawa  
Carleton University  
Saint Mary's University
