

Senior School Mathematics Teacher Full-Time Term, August 2026 - June 2027

About Sacred Heart School of Halifax

A top independent school in Atlantic Canada, and one of Nova Scotia's only Catholic schools, Sacred Heart School of Halifax has been teaching the whole child — mind, body, and spirit — for over 176 years. Our iconic campus in the heart of Halifax offers a Diamond Model of education: co-ed in JP-Grade 6, single-gender in Grades 7-9, and co-ed in Grades 10-12. With a network of schools around the world, a rich and proud history, and a strong and unique set of core values, we offer not just an education but an experience that is unparalleled in this region. Sacred Heart School of Halifax is proudly accredited by Canadian Accredited Independent Schools (CAIS) and the Sacred Heart Commission on Goals (SHCOG). Visit us at www.shsh.ca.

About the Role

We are seeking a dynamic, innovative educator with a proven record of teaching excellence. The successful candidate will be someone who infuses students with a love of learning, enjoys working with Senior School students, and shares our School's vision of excellence in education as embodied in the [Goals and Criteria of Sacred Heart Education](#).

This teacher will be responsible for Junior and Senior High Mathematics. This is a term position from August 31, 2026, to June 19, 2027.

Primary Duties

- Creating and maintaining an engaging learning environment for students.
- Engaging in ongoing curriculum development and revision, working from the current Sacred Heart curriculum catalogues.
- Planning and delivering differentiated instruction in Mathematics.
- Orchestrating formative and summative assessments of student learning.
- Reporting on student progress through formal report cards and proactive, ongoing informal communication with students and parents.
- Leading Parent-Teacher Conferences and following up on areas that need attention.
- Working in collaboration with colleagues, learning strategists, students and their families to address students' academic, social-emotional, physical, and spiritual needs.
- Engaging in ongoing professional development as directed by CAIS re-accreditation requirements, the SHCOG Action Plan, the Strategic Plan, and any area(s) of focus as articulated by the Principal.
- Articulating professional goals for the current school year through the Professional Growth Plan, participating in formal/informal observations and reflections, and engaging in ongoing consultation with the Principal through to the completion of a Year-End Summary.
- Attending and participating in Professional Learning Communities (PLC) work (staff, department and grade-level team meetings, etc.).

- Contributing to co-curricular life through the leadership of one major or two minor student activities each academic year.
- Living the Sacred Heart Goals and Criteria as a role model to students and being comfortable working in a Catholic, faith-based community.
- Participating in specific Sacred Heart community-building events in support of retention and recruitment efforts.

The ideal candidate will have:

- A university degree with a Mathematics major.
- A Master's Degree in Education is preferred.
- A valid teacher's license is preferred.
- Ability to take initiative and work independently while also valuing collaboration and teamwork.
- Excellent communication and presentation skills, both verbal and written.
- Ability to listen, learn, and make connections with students, parents, and colleagues.
- A clear and active commitment to the [educational philosophy of Sacred Heart Schools](#).

Interested applicants should send their résumé accompanied by a cover letter to careers@shsh.ca. The deadline to apply is **May 17, 2026**. Only candidates selected for an interview will be contacted. In advance, we would like to thank all applicants.
